The pricing will vary depending upon numerous factors, including the location, the standard of the accommodation and the requirements of each State or Territory health authority. However, at this stage we expect the range of accommodation to be between \$8,000 and \$12,500 (excluding GST) for 14 nights' accommodation, meals and primary healthcare. These prices are subject to amendment as we finalise specific accommodation locations and gain formal approval from the respective CHO's.
